## About Kevin Daly

**I live in the community. I am married with two children. I am a small businessman in the area. I hold an economics degree from UCD and trained as an accountant. I am a member of Stars of Erin GAA Club and De la Salle Palmerston Rugby Club.**

I have recently been appointed to the Local Community Development Committee (LCDC) of Dunlaoire Rathdown County Council (DLRCoCo) to represent the social, economic and community interests of the area. Under the Local Government Bill 2013 the LCDC will be responsible for co-ordination, governance, planning and oversight of all publicly funded local and community development.

I have been involved in the voluntary sector in the community for a number of years. I am on the board of St Patrick's National School Glencullen. At present the school is building 3 new classrooms having been successful in obtaining Department of Education capital.

I am a founding member of my local Community Association.

I was successful in securing grant aid of half a million euro for construction of a multifunction sports centre in the area which is being built at present.

I chair the joint advisory council of Fingal LEADER Partnership which is responsible for grant aid in the three Dublin regions including South Dublin and Dunlaoire Rathdown County Council (DLRCoCo) for social, economic and cultural endeavours.

*I am passionate about the availability of the best facilities in the community, for both young and old, alike*

## The Main Issues that I am interested in, and will focus on are:

- The reinstatement of Stepside Garda Station and Crime prevention.
- Unfair Property tax; South Dublin residents pay a disproportionate share in comparison with rural house owners.
- The creation of jobs in the area.
- Education – class size and special needs.
- Senior citizens, health and disability services.
- Purchase of Fernhill Gardens by Council as a public amenity.

I will be going door to door to listen to your thoughts, views and ideas and as a non-party independent candidate hope to represent you and our community at local level without party interference or bias.
