

**Before I was elected a Councillor in 2014, I promised You the electorate, that I would campaign on the following:**

- ✓ The reinstatement of Stepaside Garda Station and Crime prevention.
- ✓ Unfair Property tax; South Dublin residents pay a disproportionate share in comparison with rural house owners.
- ✓ The creation of jobs in the area.
- ✓ Education – class size and special needs.
- ✓ Senior citizens, health and disability services.
- ✓ Purchase of Fernhill Gardens by the Council as a public amenity.

**I have successfully worked on my promised agenda, and have developed my skills to work for and represent my community in the council and would welcome the opportunity to continue to represent the people and issues which I care for.**

Working for You Delivering Election promises

## About Me

I live in the community. I am married with two children. I am a small businessman in the area. I hold an economics degree from UCD and trained as an accountant.

I am a member of Naomh Olaf GAA Club and De La Salle Palmerston Rugby Club.

I have served one full five-year term as the only Independent Councillor in the Glencullen Sandyford Ward. In that time I have been a member of both the Planning and the Economic and Enterprise Strategic Policy Committees. I am not affiliated to any political party but work closely with Independent Minister Shane Ross, TD and independent councillors Deirdre Donnelly (Stillorgan) and Séamas O'Neill (Dundrum).

I have been involved in the voluntary sector in the community for a number of years. I have served on the board of St Patrick's National School Glencullen. At present I am member of the Parent Teachers Association of Wesley College. I was a founding member of my local Community Association.

I was successful in securing grant aid of half a million euro for construction of a multifunction Community Centre in the Glencullen area.

I was the chair of the joint advisory council of Fingal LEADER Partnership which is responsible for grant aid in the three Dublin regions including South Dublin and Dunlaire Rathdown County Council (DLRCoCo) for social, economic and cultural endeavours.

The completed Dublin Mountain Community Centre, home of Stars of Erin GAA, part funded by LEADER.

Delivering Election promises

If re-elected, the Policy Issues that I continue to be passionate about are:

- The continued crusade of crime prevention in the Glencullen Sandyford Ward.
- Property tax; South Dublin residents pay a disproportionate share in comparison with rural house owners.
- The provision of a Multi-purpose Community Centre for Ballinteer.
- The creation of jobs in the area.
- Education – class size and special needs.
- Senior citizens, health and disability services.
- Seeing Fernhill Gardens brought to its full potential.
- Sympathetic Development in Kiltarnan Glenamuck area, retaining as much hedgerow and trees as possible and maintain the rural Silvan characteristics of the area

With Minister Shane Ross and Minister Kevin Boxer Moran, discussing the commencement of works by the OPW at the Stepside Garda Station

I will be going door to door to listen to your thoughts, views and ideas and as a non-party independent councillor hope to represent you and our community at local level without party interference or bias.
