About Me

I live in the community. I am married with two children. I am a small businessman in the area. I hold an economics degree from UCD and trained as an accountant.

I first entered local politics to campaign for the reopening of the Stepaside Garda Station. I have been involved in the voluntary sector in the community for a number of years. I have served on the board of St Patrick's National School Glencullen and was a member of the Parent Teachers Association of Wesley College. I was a founding member of my local Community Association.

I was successful in securing grant aid of half a million euro for construction of a Multifunctional Community Centre in the Glencullen area at Stars of Erin GAA.

I was the chair of the joint advisory council of Fingal LEADER Partnership which was responsible for grant aid for social, economic and cultural endeavours in the three Dublin regions including DLRCoCo.
